QUESTION #8

“If God had to allow the potential for man to choose good or evil, does that mean God created evil?”

QUESTION #2

**“If a manuscript was found of a book we do not have today, could it be canonized?
Could we ever have a new book?”**

QUESTION #14

“Aside from one short, controversial mention by Josephus, there are no known secular writings about Christ and his life on earth. Given passage like Acts 26.19-27, wouldn’t we expect more to exist?”

WHAT HAPPENED ON THE CROSS?

Why did Jesus die?

WHY DID JESUS DIE?

- As testimony of God's love (Jn. 3.16).
 - We need to be drawn to something more than the emotion of the situation.
- To save man from God's wrath (Rom. 5.8f).
- To rise from the dead (1 Cor. 15.13ff).
 - Must die in order to rise.
 - Death the greatest enemy (15.54ff).
 - Rising from the grave took Satan's power (Heb. 2.14).

WHY DID JESUS DIE?

- To accomplish God's will (Heb. 10.5-10).
 - He was given a body to sacrifice.
 - He knew God's will (John 5.30; 6.38; 8.28f).
 - Consider the many prophecies (Ps. 22; Isa. 53).
 - The cross was not a failure — it was victory!
- To purchase our redemption (Heb. 9.12).
 - By "His own blood" we are redeemed.
 - That blood will cleanse the conscience (9.14).
 - That blood is sufficient for all time (9.15).
